**Summary of Services and Results Achieved**

31. As described in further detail below, at the direction of the Special Claims Committee, Brown Rudnick commenced several species of litigation arising from the Oversight Board's Special Investigation Committee report in 2018. These litigation actions generally fall into three categories: (i) avoidance actions against vendors; (ii) avoidance actions against bondholders; and (iii) other third-party actions. Through the litigation, at times in collaboration with official committees and other aligned parties, the Special Claims Committee sought to preserve and liquidate valuable litigation claims held by the Title III debtors for their benefit in the Title III proceedings. Brown Rudnick's efforts resulted in debt reductions under the Commonwealth's plan of adjustment valued at hundreds of millions of dollars, in addition to unliquidated litigation claims and related proceeds transferred to the Avoidance Actions Trust for prosecution and subsequent distribution to creditors.

i. **Background**

32. Shortly after the commencement of the Title III proceedings, the Special Investigation Committee of the Oversight Board engaged an independent investigator to carry out its mandate under Section 104 to conduct a comprehensive investigation and review of the factors contributing to Puerto Rico's fiscal crisis, debt issuances, related disclosure and selling practices, use of proceeds from debt offerings, and how its debt practices compare to the debt practices of states and large municipal jurisdictions.

33. At the conclusion of the investigation, FOMB published the independent investigator's final report, which included an analysis of the historical and more recent

macroeconomic and political factors contributing directly and indirectly to Puerto Rico's fiscal crisis, the Puerto Rico municipal bond issuance process, and the legislative efforts to restructure the debt, in addition to its investigative findings, policy recommendations, and identification of potential claims and matters for regulatory attention.

34. Within a few days after the publication of the final report, FOMB created its Special Claims Committee to pursue claims and causes of action resulting from the findings in the final report. Shortly thereafter, the Special Claims Committee retained the law firm Brown Rudnick LLP as Claims Counsel.

ii. Preliminary Activity and Bond Validity Challenge

35. In December 2018, the Special Claims Committee and the Official Committee of Unsecured Creditors of the Title III Debtors (other than PBA and COFINA) (the "Committee") filed a joint claim objection seeking to invalidate certain general obligation bonds issued by the Commonwealth in 2012 and 2014 because they were purportedly issued in violation of the Commonwealth's constitutional debt limit. The Court entered a procedures order for a process to identify parties interested in participating in the claim objection litigation and to develop a meet and confer process to identify the timing and sequencing of the claim objection litigation.

36. Additionally, in advance of the expiration of the statute of limitations for the Commonwealth, HTA, ERS, and PREPA, the Special Claims Committee jointly filed, with the Committee, several hundred lawsuits seeking to recover billions of dollars in prepetition payments the respective Title III debtors made to various vendors, suppliers, bondholders, and professionals, as described below.

iii. Financial Professional Litigation

37. At the direction of the Special Claims Committee, immediately upon its retention Brown Rudnick requested access to the documents reviewed, compiled and created by the

independent investigator. Pursuant to those documents and the investigator's report, Brown Rudnick prepared and filed a complaint against several underwriting investment banks, law firms, and other professionals that advised the Commonwealth of Puerto Rico and other Title III debtors in connection with the issuance of certain bonds subject to validity challenges.

38. In this action, the Special Claims Committee asserted that the debtors can recover fees and other damages in connection with, among other things, wrongful conduct in financial and professional services transactions with the debtors.

39. In July 2019, the action was stayed by a general order directing mediation to develop the Commonwealth's plan of adjustment. Under the Plan and related settlements, the litigation was transferred to the Avoidance Actions Trust on the Effective Date to be prosecuted and liquidated for the benefit of unsecured creditors of the Commonwealth.

iv. Vendor Avoidance Actions

40. After months of extensive review of the Title III debtors' prepetition payment histories, the Special Claims Committee found cause to file approximately 340 avoidance actions to avoid and recover payments by the various Title III debtors against hundreds of suppliers and vendors to Puerto Rico because the payments were made in violation of Puerto Rico law, the transfers are recoverable as preferences, and/or constructive fraudulent transfers under the Bankruptcy Code.

41. Approximately 90 vendors accepted offers to resolve litigation claims without formal litigation, and the Special Claims Committee commenced approximately 250 adversary proceedings against the remaining vendors. Cognizant of the burden the vendor actions have caused the business community, the Special Claims Committee instituted an informal resolution process for the actions and obtained court approval establishing litigation deadlines and settlement parameters to support the effort to resolve these actions on a consensual, out-of-court basis.

42. Prior to the Plan Effective Date, Brown Rudnick and the Special Claims Committee in partnership with the Committee resolved approximately 250 of the 340 filed or tolled claims without litigation, and held in escrow millions of dollars in proceeds of settled claims. The Oversight Board during that time negotiated a settlement with the Committee whereby the remaining claims, together with the settlement proceeds and related assets, were transferred to the Avoidance Actions Trust on the Effective Date for liquidation and distribution to holders of unsecured claims.

v. Bond Validity Challenge and Avoidance Actions

43. In addition to the challenge to 2014 GO bonds filed in December 2018, Brown Rudnick at the direction of the Special Claims Committee and as co-plaintiff with the Committee (resolving a trusteeship challenge by the Committee) in April and May of 2019 filed fifteen actions against approximately 1000 holders of Puerto Rico bonds that have been challenged in claim objections filed by the Special Claims Committee and other parties, specifically, bonds issued by the Commonwealth, Public Buildings Authority (PBA), and the Employees Retirement System of Puerto Rico (ERS).

44. In filing the actions, the Special Claims Committee joined other parties in certain respects in challenging the validity of approximately \$12 billion in Commonwealth, PBA and ERS bonds, and in seeking to recover billions of dollars more in payments on allegedly null and void bonds.

45. In July 2019, the Court ordered the various bond validity challenges to mediation along with a number of issues concerning plan development. Brown Rudnick participated in the mediation and assisted in formulation whereby the Commonwealth's indebtedness was effectively reduced by approximately \$500 million (the exact amount depending on valuation of replacement

bonds issued pursuant to the plan). The settlement likewise resolved the various avoidance actions related to bond indebtedness.

vi. Disclosure Statement and Plan

46. Following the development of a plan largely resolving and/or arranging transfer of the Special Claims Committee's litigation on the Effective Date, Brown Rudnick assisted the Oversight Board in formulating a disclosure statement concerning the litigation and related efforts. Brown Rudnick likewise assisted as necessary in the preparation of confirmation-related documents and confirmation of the Plan before the Court. As part of these preparations, Brown Rudnick assisted the Oversight Board in developing and consummating a settlement with the Committee that resulted in a broadly consensual confirmation process, and a seamless transition of transferred litigation for the benefit of unsecured creditors.

47. Following the confirmation hearing and entry of the Court's confirmation order, Brown Rudnick engaged with the Committee in preparing for the dismissal of certain litigation and transfer of certain claims to the Avoidance Actions Trust as required by the Plan. On or around the Effective Date, Brown Rudnick transferred substantially all of the Special Claims Committee's materials relating to transferred litigation to the Trust.

**The Application Should be Granted**

48. Brown Rudnick respectfully submits that the services for which it seeks compensation and the expenditures for which it seeks reimbursement were necessary and beneficial to the Oversight Board. In light of the nature, extent and value of such services, Brown Rudnick submits that the compensation requested herein is reasonable.

49. The compensation for Brown Rudnick's services as requested is commensurate with the complexity, importance and nature of the problems, issues or tasks involved. The professional services were performed with expedition and in an efficient manner.

50. In sum, the services rendered by Brown Rudnick were necessary and beneficial to the Oversight Board, were reasonable in light of the value of such services to the Oversight Board and were performed with skill and expertise. Accordingly, Brown Rudnick submits that approval of the compensation for professional services and reimbursement of expenses requested in this Final Fee Application is warranted.

**Location of Services Provided**

51. All fees and services during this Compensation Period were rendered and incurred outside of Puerto Rico with the exception of a small number of appearances by attorneys at live hearings in San Juan, Puerto Rico in 2019 and 2020. Brown Rudnick incorporates its interim fee applications by reference with respect to the rendering of services in Puerto Rico.

**Statements Pursuant to Appendix B of the U.S. Trustee Guidelines**

52. The following statements address information pursuant to Section C.5 of the U.S. Trustee Guidelines:

- a. **Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

**Answer:** Yes, in accordance with the Services Agreement, Brown Rudnick's standard hourly rates in these cases have been reduced so that the hourly rate for all attorneys is \$790, and \$270 for all paralegals and non-lawyer staff. In addition, after discussion with the client, we charged our standard hourly rate of \$90 for litigation analysts.

- b. **Question:** If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

**Answer:** No. The client was aware and involved in the myriad of case issues and directed Brown Rudnick as to the services provided. In addition, the client reviewed and approved each of our monthly fee invoices, which reflected the volume of work reflected herein.

c. **Question:** Have any of the professionals included in this fee application varied their hourly rate based on geographic location of the bankruptcy case?

**Answer:** No.

d. **Question:** Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.). If so, please quantify by hours and fees.

**Answer:** No.

e. **Question:** Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

**Answer:** No.

f. **Question:** If the fee application includes any rate increases in retention: (i) did your client review and approve those rate increases in advance? and (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

**Answer:** The Application does not include any additional rate increases.

### **Notice**

53. Notice of this Application has been provided to: (a) the United States Trustee for the District of Puerto Rico, (b) the Oversight Board and its counsel, (c) counsel to AAFAF, (d) counsel to the Fee Examiner, (e) counsel to the Official Committee of Unsecured Creditors, (f) counsel to the Official Committee of Retirees, and (g) the Puerto Rico Department of Treasury. Brown Rudnick respectfully submits that no further notice of this Application should be required.

### **No Prior Request**

54. No prior final fee application for the relief requested herein has been made to this or any other Court.

WHEREFORE, Brown Rudnick respectfully requests that the Court enter an order; (a) approving the final allowance of \$[TBD] for compensation for professional services rendered during the Compensation Period, (b) approving the reimbursement of Brown Rudnick's out-of-pocket expenses incurred in connection with the rendering of such services during the Compensation Period in the amount of \$[TBD], (c) ratifying all prior payments made, and (d) granting such other and further relief as the Court deems just and proper.
